Amphenol Industrial Operations offers a broad range of harsh environment interconnect solutions. Our new OCEANUS Series of Connectors are tailored to meet the rugged demands of the subsea market. The OCEANUS series consists of 3 new product ranges: POSEIDON, AQUA POWER and SUBMARINER. The product family offers versatile, high performance characteristics including 9,000 PSI open face pressure ratings, underwater wet mate-able connectors, multi-pin configurations, high speed (coax and fiber optic) and over-molded cable assembly options.

**Features:**
- High grade stainless steel hardware
- 500 VDC Signal and 3kv Power contacts
- Up to 9,000 PSI open face pressure rating (6,000M)
- Configurable for use with Solid and Oil –Filled Cables
- Sealing caps and over-molding available
- High Speed Coax (50 & 75 Ω) & Fiber Optic available
- Full range of gold plated solder contacts available
- IP68 rated
- Operating Temperature -5°C to +65°C
- Wet Mate-able configurations available

POSEIDON

- 500 VDC Signal and 3kV Power contacts
- Up to 9,000 PSI open face pressure rating (6,000 M)
- Configurable for use with Solid and Oil-Filled Cables
- Sealing caps, overmolding, and other options available
- Solder contacts range from 22 AWG through 10 AWG
- High Speed Coax (50 & 75 Ω) and Fiber Optic available
- MIL-C-24217/4-005 spec, IP68
- MIL-G-45204, Type II, Class 1 (50 microns Au)
- Intermateable/intermountable with competitive products

For more information reference IDS-42

AQUA POWER

- 316 stainless steel, Passivated per ASTM A967
- 500 VDC Signal and 3kV Power contacts
- Up to 9,000 PSI open face pressure rating (6,000 M)
- Configurable for use with Solid and Oil-Filled Cables
- Sealing caps, overmolding (straight or 90°)
- Custom build option available
- Optional coupling nut locking set screw available
- Operating Temperature -5°C to +65°C
- Solder contacts range from 20 AWG through 2 AWG
- IP68 rated

For more information reference IDS-43

SUBMARINER

- ROVs and other Wet Mateable applications
- Numerous configurations available
- 1-16 contacts
- Molded high-insulation neoprene
- Heat-treated beryllium copper sockets, gold plating, and stainless steel bodies
- Operating Temperature -5°C to +65°C
- Up to 9,000 PSI open face pressure rating (6,000 M)

For more information reference IDS-44
