Product Change Notice**

Oct-19, 2016

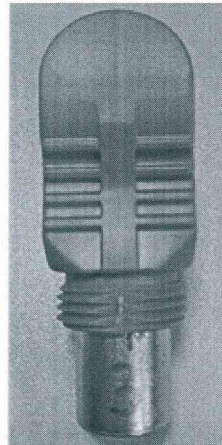

Dear Customer,

In order to improve production efficiency of molding and also improve capacity, Amphenol makes below change (appearance only) of Surlok plus 8.0mm series. This will not affect any function of the product. This change will be implemented immediately.

Scope: All the Surlok plus 8.0mm right angle series, regardless of keyway, color and crimp size.

The one before change

The one after change

Sincerely,

Visam Chen, RADSOK
