

How to find stock using AIO search Tool from www.amphenol-industrial.com

How to find stock using AIO search Tool from www.amphenol-industrial.com

1. Find and locate the “Parts Search” link on the top of the AIO web site

The screenshot shows the Amphenol website homepage. At the top, the navigation bar includes the Amphenol logo, the text 'INDUSTRIAL PRODUCTS GROUP Interconnect and Value Added Solutions by Design', and a search box. The 'Parts Search' link is circled in red. Other navigation links include 'HOME', 'COMPANY', 'MARKETS', 'PRODUCTS', 'SALES SUPPORT', 'LITERATURE', and 'SITEMAP'. The main content area features a video player for 'Amphenol Corporate Video 2...', a 'LITERATURE' section with buttons for 'Catalogs', 'Data Sheets', and 'Application Notes', and a 'SALES SUPPORT' section with buttons for 'On-Line Quote', 'Sales', 'Amphenol Challenge', and 'Distributors'. There is also a '3D Design Online' icon. Below the main content, there are sections for 'FEATURED PRODUCTS' and 'NEWS'. The 'FEATURED PRODUCTS' section includes 'Smart Building Market', 'Lighting Market', 'LPT: MIL-C-26482 Series I PT commercial connector', and 'Gray ZnNi Plating: RoHS'. The 'NEWS' section includes 'AIPG EV Style Connectors Guide', 'AIPG Global Product Overview', 'AIPG Global Technology Centers', and 'Lighting Market'.

3. Results will show available stock from AIO authorized distributors:

The screenshot shows the Amphenol website's 'Parts Search' interface. At the top, there are navigation links for 'Parts Search', '中文版', 'English', 'Sign in', and 'Other Amphenol Sites...'. Below this is a search bar with the text 'Search ... Search ...'. A navigation menu contains buttons for 'HOME', 'COMPANY', 'MARKETS', 'PRODUCTS', 'SALES SUPPORT', 'LITERATURE', and 'SITEMAP'. A large banner image depicts a globe, a satellite dish, and wind turbines. The 'Parts Search' section includes a 'Part Number' input field, 'Submit', and 'Clear' buttons. Below the search bar, a message states '19 Part(s) Found Starting with PT02E12-10S'. A table displays the search results with columns for Part Number, Distributor, Distributor Number, Qty On Hand, Last Updated, and Buy Part. The 'Digi-Key' distributor for the first result is circled in red.

Part Number	Distributor	Distributor Number	Qty On Hand	Last Updated	Buy Part
PT02E-12-10S	Digi-Key	PT02E-12-10S-ND Pkg: BULK	On Order		BUY
PT02E-12-10S	Mouser Electronics	654-PT02E-12-10S	12	06/08/20 11:54 AM	BUY

5. In some cases the search results will show the “base” number that you are looking for with an insert rotation call out (PT02E-12-10**SW**) and/or different plating call outs (027) , (025). These are shown as reference if the plating option is not an impediment and the connector on hand is more readily available with a different finish.
